Session Descriptions

Get to Know Your American Job Center (General Orientation)

This session is designed to provide participants with general information and services provided by the Department of Employment Services and the American Job Center programs which includes an overview of scheduled Performance Enhancement Sessions.

Writing a Professional Cover Letter

A well-written cover letter can increase the chances of an employer viewing your resume. Learn how to write a professional cover letter that best represents your skills and strengths applicable to your desired position.

Smart Resume: Tips, Tools, and Techniques

Your resume is your first impression. Learn how to structure your resume in a way that will stand out to employers. Discussion will include strategies on how to cater your resume to the job description, different resume styles, and using key words and phrases.

Creating a Smart Resume

Now that you've learned how to create a smart resume, let's get to work in the computer lab! Get assistance with creating, editing, and modifying your resume using DCNetworks.org.

(Prerequisite: Smart Resume: Tips, Tools, and Techniques)

The Conversation That Gets the Job (Interviewing Skills)

Market your skills to the employer and prepare for a professional interview. Learn about panel interviewing, what not to say during an interview, and what to do after the interview is over.

Navigating DC Networks

Learn the best strategies to connect with employers and their job postings online through DC Networks. This session will provide you with necessary information to assist you in putting your best foot forward online. Find out about tools that will help you show employers who you are, alert you when new jobs are posted and improve your job search.

Successfully Submitting Online Job Applications

Participants will learn how to navigate in DCNetworks.org to successfully create job searches and how apply for jobs online.

Microsoft Digital Alliance
